Our Live Streaming Festival? A hit! 50 states, 9 countries

The [Reproductive Freedom Festival](#) broadcast 31 exciting short theatrical works from a small theater in New York last month.

We reached all 50 states. We reached people in **Brazil, Israel, Mexico, Netherlands, Ireland, South Korea, England, Canada.** We touched more than 6,000 people with positive arts and activism supporting reproductive freedom.

The *3.5 hours of original material* engaged 35 actors, seven directors, electronic art, two original songs and hosts from the reproductive rights arena and from the arts.

The Audience Responds! Arts + Activism

People tweeted, chatted, sent emails to our Reproductive Freedom Festival:

Just wanted to say "Wow!" in response to the Reproductive Freedom Festival. What a fabulous, creative idea to bring these important stories together in a live dramatic telling.

The breadth of work was astonishing. I feel that we are starting a movement.

Big shoutout! Impressive diversity of the cast and stories shared tonight.

Thank you so much for making it possible for me to attend all the way from Florida! How great is that?!

It is really true that the arts are a very powerful way of communicating the emotional impact of reproductive rights issues.

The support and love ALL of us felt ... could move mountains and break down walls with the joy of women's empowerment, liberation and equality!

Hopefully this event has inspired others to begin or continue on this important path.
