

# REPRO FREEDOM ARTS STATEMENT JUNE 1 2020

- IN SUPPORT OF JUSTICE June 1 2020
- **ReproFreedomArts** stands for equality, diversity and inclusion. We stand in solidarity with #BlackLivesMatter and those opposing racism and seeking justice in the wake of the murder of George Floyd and other actions of violence against people of color.
- We stand for human rights and reproductive justice. We oppose and condemn racism, homophobia, xenophobia, misogyny, transphobia, economic inequality, sexual harassment, oppression, bullying, domestic violence, environmental degradation, and bias against immigrants.
- We wish to join those who are actively engaged in building a more humane and just society that addresses historic inequities and rectifies them.
