## Activists Across the Country Honor *Roe v Wade* Amid Rising Threats

Reproductive Freedom advocates across the country are marking the 47th Anniversary of *Roe v. Wade* (January 22), even while bracing for a potentially brutal decision from the U.S. Supreme Court and more reactionary enactments from regressive state legislatures.

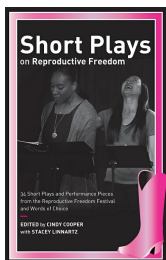

In 2020, reproductive freedom activists are sending the message that we aren't giving up no matter what is thrown our way.

In our blog, [UP THE CREATIVITY](#), we continue our tradition of gathering in one place the dozens of *Roe v Wade* Anniversary events in cities and towns, red states and blue, and link to their information. Be inspired! (We also have links to Jan 18 women's marches.)

From "*Wild About Our Rights*" in Arizona to a "*A Vision for Our Future*" in Texas, the "*Abortion is Normal Art Show*" in New York, and "*March for Choice*" in Indiana, people are recommitting to securing bodily autonomy and abortion rights.
